

Our mission:

To build an army of committed men who know their identity in Christ, men who are not afraid to stand on the side of righteousness, men who make it their goal to be more Christ-like and men of Honor....everyday.

God is growing men, one by one, into a powerful force within the life of the church. Our joy, friendship, fun, ministry, effectiveness, and impact are miraculous and incredible. I am convinced that every one of us (young and old) needs another man to encourage and challenge us.

The vision of this ministry is first, of all to let you know that you are not alone and we have here at a Place of hope a group of men who would like to fellowship and help you through your spiritual needs. Second, we would like to help you in becoming the men of God and leader of your home. Third, to become a future leader in the church and help others achieve what God has intended for them.

Have I not commanded you? Be strong and courageous, do not be terrified; don't be discouraged, for the Lord your God will be with you wherever you go Joshua 1:9
